"Feel" is a song by a British singer-songwriter Robbie Williams.

It was released on December 2, 2002

The song became an international hit, reaching the top of the charts in Austria, Germany, Hungary, the Netherlands, and top five positions in countries such as Denmark, Ireland and the United Kingdom.

Robbie William said that he created the song and recorded it one day at a studio, he had very special mood, and he sang this song with excitement and he never could repeat the same intonation , the same impulse like that day. It's one of his favourite song ever.

The official video shows Williams in a cowboy-like lifestyle.

World-known American actress Daryl Hannah acted his sweetheart in this video.

There were two versions of the same video, one shot in black and white and coloured one.

Robert Peter Williams was born on the 13th of February, 1974, he is better known as Robbie Williams, an English singer-songwriter and an actor. He was a member of the pop boy band "Take That".

Williams became famous in the band in the early- to mid-1990s. After many disagreements with the group manager and group members, Williams left the group in 1995 to start his solo career. He was very successful, in 2001 he became the most famous singer of Britain. Williams has sold over 70 million records worldwide, which ranks him among the best-selling music artist worldwide. He is the best-selling British solo artist in the United Kingdom and the best selling non-Latino artist in Latin America. He had problems with drugs and alcohol in the beginning of millennium decade, but he solved his problems and still deals with his addictions well.

Now Robbie is compered with such great singers and musicians like Frank Sinatra, Andy Williams, Matt Monroe etc...
